## SEPTEMBER 2018

### PENNY'S POST

#### Happy Labour Day!

Hard to believe we are already beginning the ninth month but September is a wonderful time. The weather is not as hot and the air is just getting a little brisk and certainly less smoky.

Summer is left behind as the anticipation of autumn is near!

The IPE is in full swing and we are proud to announce we received 3<sup>rd</sup> in the "Sheep Thrills" IPE business decorating contest. The staff worked very hard on our unique display and placing third is an honour but with the response and accolades from our residents and guests here at Heaton Place, we are certainly #1 in their eyes. Great job everyone! We have one full month under our belts with Tracy and Frances as the Activities facilitators and I have noticed just as much laughter and very busy days in the common area and I'm happy with how the transition has worked. If you have any new ideas you would like to see happen, please just let Tracy or Frances know and I am sure they will try to incorporate them into the upcoming calendars. Housekeeping department reminder - For all residents, if you use the laundry soap pods as opposed to liquid or powder detergent, they are to be put right into the washer with your clothes and not in the detergent drawer. When pods are placed in the drawer they clog up the water flow and can cause

problems as the soap does not dissolve to properly launder your clothes.

Kitchen department reminder – Residents on the Convenience package need to be reminded the beverage / coffee cart and dining room is for the sole use of our residents on the Lifestyles package. If anyone on the Convenience package would like to upgrade to the daily beverages and all three meals (Lifestyles Package) please stop by to see me as it is a very minimal increase to your monthly occupancy fee and will allow you all the benefits you wish to enjoy.

Maintenance / Administration department – Shuttle van and scooters need to be booked in advance of the day it is needed. Shuttle's regular day is every Thursday and times are dependent on the volunteer drivers as to when the van will go out. Prior to each Thursday, you are welcome to contact Tracy at the front desk to confirm if the shuttle van is going out in the morning or afternoon.

For all our trivia buffs, an interesting piece of information about the September Full Moon. The biggest and brightest full moon of the year for North America is the Harvest Moon. The moon is nearest the autumnal equinox, and was named because it allowed farmers to work by moonlight to bring in their crops. The Harvest Moon falls on the 24<sup>th</sup> this month so hopefully the evening is clear so we all can enjoy! Happy September!

# RECREATION & ACTIVITIES

August and the summer seem to have flown by, of course having so much smoke didn't help but never fear Fran

and I are on the case to make September a fabulous month! We have booked some great music including Happy Hour with Cliff, Daves of our Lives, and Sentimental Journey as well as turning one of our Monday mingles into a cheese and wine tasting party to kick off our "Okanagan Theme Week!"

Who likes a good laugh? Be sure to come down to the Social Lounge at 2pm on Friday Sept. 7<sup>th</sup> as Fran will be

doing a "Comedy Appreciation" of none other than George Burns and Gracie Allen!

Fran and I are always looking for new games and ideas that you, our residents would like to try, so don't be shy, come tell us what you would like to see and we will do our best to implement it into our monthly calendar!

For all those that signed up but didn't get to go on the boat cruise we sincerely apologize, so next year we are going to try to book it at the beginning of July before our fire season gets into full swing!

We've got a full calendar of all the activities that you already love so.....

**Let's make September, one to remember!**

**YOUR MANAGEMENT TEAM**

**Manager**  
Penny Christensen

**Administrative Assistant/Activities Director**  
Tracy Edwards

**Food Services Manager**  
Gaz Jordan

**Maintenance Manager**  
Dave Enoch

**Housekeeping Supervisor/Activities Assistant**  
Frances Yasinski

**Happy Birthday!**

Marie S.	Sept. 8
Wilf S.	Sept. 9
John R.	Sept. 14
Mae M.	Sept. 19
Muriel F.	Sept. 22
Phelma S.	Sept. 27
