

January

HEATON PLACE HERALD 2018

Wishing You a **New Year**, Bursting With Joy, Roaring With Laughter and Full of Fun!

The Resident Christmas party last month was a resounding success and everyone including myself had a lot of fun and a great evening. I was happy to see how excited and pleased everyone was with the unveiled gift of the TV in the dining room. Now that Dave has returned from vacation and when he gets caught up on his regular duties, he will finish the setup and have it streaming by the end of the month!

January is going to be a busy month on the main floor of Heaton Place. As you may have noticed on the calendar, some of the activities will be slotted for different areas in the facility while the new flooring is being installed. All of the carpeted areas on the main floor, up to the residential corridors, is being replaced with planking. We are all very excited for this renovation as once completed there will be no more transition strips or differences on the main floor surface and the new look will be a beautiful change. Please bear with us as we complete this renovation and make a few other changes to our main floor common area during the month of January.

Residents on the Lifestyles package will be slightly inconvenienced as we serve meals outside the dining room for two to three days. Our goal is to set up the Fireplace lounge, social lounge and craft room into a temporary dining room for those few days and then have everyone moved back into the dining room once that floor is complete. Dave, Frances, Tracy and I will be helping out throughout those two weeks so if you have any questions or concerns please just let us know and we will explain and answer any uncertainties you may have.

Happy New Year to all the Residents of Heaton Place and my wish for you is a year with *12 months of happiness, 52 weeks of mingling, 365 days of smiling friendships, 8760 hours of good health & miracles, 525,600 minutes of good fortune, and 31,536,000 seconds of togetherness!*

Here's to a Wonderful 2019!

Recreation & Activities

Happy New Year to all the Residents!

I hope all of you had a wonderful Christmas! January 1st marks a time of resolutions and new beginnings! Fran, Vera and I are gearing up for a fabulous year ahead! The month of January is going to be a little bit of a challenge

due to the construction that will be going on during the last two weeks! We are having all the carpet in the dining room, social lounge, fireplace lounge and the first floor up to the fire doors taken out and replaced with beautiful laminate flooring so a lot of the activities will be taking place in suite 211 during that time, check your calendar to find out where and when.

Unfortunately, Bingo and Happy Hour will have to be postponed, as alternate areas cannot accommodate the many residents that attend. Never fear though as we will be back on track with all the activities that you love and some new ones once February rolls around!

We want to congratulate our winners of the door decorating contest! 1st place Winner - **Blanche L.**, 2nd place Winner **Joan S.** and the 3rd place Winner was **Mae M.** Well done! Here's to health and happiness as we embark onto 2019!!
